Figma (UI/UX), Adobe Photoshop, Adobe Illustrator, Unity (Game Dev), Canva.

Pedagogy & Soft Skills

Technical Instruction, Curriculum Development, Classroom Management, Project Leadership, Public Speaking.

EXPERIENCE

Instructor (Website Teacher)

SMA DIGITAL SCHOOL SHAFI MARWAH

July 2025 — Present, Bogor, West Java

- **Instructing high school students on modern web development based on the MERN Stack** (MongoDB, Express, React, Node.js) and version control (Git).
- Developing comprehensive teaching modules and practical projects to simplify complex programming concepts for beginners.
- Mentoring students in building responsive web applications, fostering their problem-solving and debugging skills.

Visual Communication Design Intern

PT AGRITAMA SINERGI INOVASI

Sept 2024 — Jan 2025, Bandung, West Java

- Designed UI/UX prototypes for the company's e-commerce product page, enhancing user interface consistency.
- **Revamped 30+ corporate presentation decks**, ensuring strict adherence to brand guidelines for external stakeholders.
- **Created 25+ social media assets (feeds/reels)** that aligned with marketing campaigns, contributing to increased brand visibility.

Informatics Teacher (Internship Program)

SMKN 1 BANDUNG

Jan 2024 — July 2024, Bandung, West Java

- Taught "Algorithms & Programming" to a class of 35 students, **achieving a 25% increase in student engagement** by implementing game-based learning.
- Developed "Kitchen Code," an interactive **educational game using Unity**, to visualize abstract coding logic.
- Managed classroom dynamics effectively, **reducing disruptions by 15% through structured lesson planning**.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

Head of Multimedia Division

- UKDM UPI (Student Da'wah Activity Unit)2023-2024, Bandung, West Java
- Led a creative team to produce visual branding identities and merchandise, ensuring consistent design standards across all platforms.
 - Directed the creation of 40+ social media designs, resulting in a **75% growth in audience engagement** metrics.
 - Designed user-friendly web layouts for organizational events using fundamental UI/UX principles.

Head of Information and Communication Division

- BEM FPMIPA (Student Executive Board)2024 —2025, Bandung, West Java
- Managed end-to-end publication strategies for major campus events involving 500+ participants.
 - Oversaw the production of merchandise and visual documentation, maintaining high-quality output for organizational branding.
-

KEY PROJECT

Jannah Quest (Gamification Platform)

Developed a web-based platform using Next.js, TypeScript, and Supabase. Features include user progress tracking and interactive quizzes to motivate users

Edugame Kitchen Code (Serious Game)

Developed an interactive educational game using Unity to visualize abstract programming algorithms for high school students. Designed immersive 2D game assets and UI mechanics, resulting in a 25% increase in student engagement during classroom beta testing.

Creative Portfolio 2025

Curated a comprehensive collection of branding and social media designs on Behance, showcasing versatility in visual communication.

EDUCATION

INDONESIA UNIVERSITY OF EDUCATION | 2021 – 2025

Bachelor of Education in Computer Science | GPA: 3.88/4.00 (Cum Laude)

Achievement: 1st National Champion in the Student Digital Innovation Competition (LIDM) 2023
